

About Napa Humane

The Humane Society of Napa County & SPCA, Inc. ("Napa Humane") is a 501(c)(3) nonprofit organization with a laser focus: the prevention of needless suffering and homelessness for our community's companion animals.

We work with families, veterinarians, and local service providers to target the root causes of animal suffering and offer humane, life-changing solutions. Napa Humane is the trusted partner for animal welfare in Napa County since 1973. As the most-well established organization in the region, Napa Humane is the first line of response in the prevention of needless animal suffering. We provide the following critical care and prevention services:

- Subsidized spay/neuter surgeries and microchipping for every animal at the Napa County Animal Shelter.
- Below cost spay/neuter services -- provided not just to our direct clients and constituents but to other animal welfare organizations in the area -- all underwritten by our fundraising efforts.
- Wellness Clinics - removing barriers and access to care for families in need.
- Behavioral helpline and education programs, helping clients and community members resolve issues before they arise.

Napa Humane operates the only permanent, dedicated low-cost spay/neuter clinic in Napa, Lake, and Solano counties.
